

**APPLICATIONS**

A beautiful combination of brushed nickel end caps and white bullnosed acrylic diffuser is perfect for residential or commercial applications. 3 light T8 with electronic ballast provides great light output through the bullnose diffuser. Brushed nickel metal end caps add a deco contemporary style.

**FEATURES & BENEFITS**

- ◆ 2 or 3 lamp positions
- ◆ Electronic instant start ballast provides 20% less energy
- ◆ One piece diffuser
- ◆ Every fixture is individually tested

**SPECIFICATIONS**

All metal parts die formed from heavy gauge cold roll steel housing spot welded to ensure uniformity and dimensional stability. One piece .170 smooth opal 100% acrylic for a fully luminous light source. Listed by and bears **UL** label.
