

### APPLICATIONS

This new dimmable LED undercabinet light provides the benefits of LED at a budget price. Utilizing less than a third the energy of fluorescent light and 75 percent less than xenon, this sleek LED undercabinet features CREE LEDs engineered for wide spread comfortable task lighting. Ideal for undercabinets in kitchen and other task areas where cool task lighting is a must.

### FEATURES & BENEFITS

- ◆ Extruded aluminum body powder coated a rich white
- ◆ Highest quality long life CREE LEDs
- ◆ IC current controlled LED circuits
- ◆ Provides a warm 3000K color temperature
- ◆ 42" cord and plug included with integral on/off switch
- ◆ Mini coupler to join two fixtures together and maintain LED lamp spacing is included with every fixture
- ◆ 15" joiner cord to join two fixtures is included with each fixture
- ◆ Low starting temperatures - 20°C
- ◆ 120V input voltage
- ◆ Integral driver
- ◆ 3 year warranty

### SPECIFICATIONS

Choose from 3 sizes with integral LEDs and driver that can be used individually with a cord and plug and on/off switch provided or joined together with a mini coupler of 15" joiner cord also supplied with every fixture. An optional hardware junction box is available for hardwire applications. Less than 3/4" height makes it one of the shallowest fixtures on the market. To dim, use recommended fluorescent/LED dimmers.
