

APPLICATIONS

The MVP LED is an energy efficient vaporproof fixture. It is built for harsh environments to keep moisture, dust, and dirt from entering the fixture. Ideally suited for industrial parks, public transit, airports, office buildings, and medical facilities.

FEATURES & BENEFITS

- ◆ Heavy duty die-cast aluminum housing & screw on guard
- ◆ Repaintable textured grey powder coat finish
- ◆ 1/2" NPS threaded mounts
- ◆ Includes weatherproof box with coin plugs
- ◆ Min CRI 65
- ◆ Ceiling or Wall Mounted
- ◆ UL listed for wet locations
