

SPR SERIES

Multi-Purpose Bracket

Premium surface mounted deep cell parabolic fixture designed for maximum efficiency and visual comfort. Ideal for commercial and industrial buildings requiring general illumination with surface mount configurations and low glare.

- P3 Technology - Post Powder Paint
- > 90% reflectivity
- Corrosion and scratch resistant
- Smooth edges for easy handling
- Clean appearance with no exposed fasteners
- Low iridescent louver is maintenance free semi-specular anodized aluminum
- Louver hinges and latches from either side
- Black reveal provides gap free floating louver appearance
- Various cell configurations available
- UL listed for damp location

CONSTRUCTION

Housing is die-formed from cold rolled steel. A framed parabolic troffer offering improved photometrics over our standard welded surface parabolic fixture. Finish is high reflectance P3 - Post Powder Paint. Precision formed anodized semi-specular aluminum louver. Standard nominal 3" deep cell louvers are manufactured using interlocked construction and mitred corners. Louver hinges from either side. Latches use a positive locking cam action and come with matching finish. A protective film is provided to protect the and fixture from construction dust.

EZ LED

Mobern's EZ LED is the most economical, practical and user friendly series of LED fixtures selling today. EZ LED provides users with high quality light, hassle free maintenance, and greater than 40% energy savings when compared to standard fluorescent options. These fixtures are UL Listed and arrive with the latest UL listed, LED T8 Bypass lamps installed. EZ LED fixtures do not contain a ballast, so you have the ability to change wattage and color temperature at any time by simply swapping out the lamps. Additionally, fixture performance can easily evolve over time simply by installing new LED T8 lamps incorporating advanced T8 LED lamp technology. Concerned about maintenance with an LED array and driver fixture? EZ LED solves that by utilizing a self-contained LED lamp that fits into our fixture just like a fluorescent lamp – maintenance is as simple as changing a lamp. EZ LED is simply the Easiest LED solution on the market today!!

Lamp Specifications:

Our T8 LED lamps are available in 2 or 4 ft sizes in different wattage, lumens and color temperature options. See lamp options and specs at www.mobern.com/EZLEDLamps.
50,000 Hour Life with 5 Year Warranty
Aluminum Base and Aluminum Housing
Color Temperature: 3000K, 3500K, 4000K, 5000K
G13 Pins (Same as Fluorescent Linear T8 Bipin)
AC120-277V

Emergency Options:

The standard EZ LED Lamps require an inverter or an All-in-one emergency kit that includes LED array, battery and driver. Dimmable T8 LED with external driver works with standard LED EM it. See emergency options and specs at www.mobern.com/EZLEDEmergency.
