APPLICATIONS

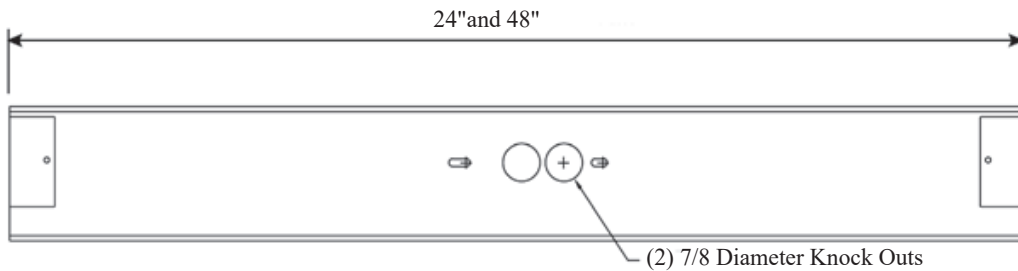

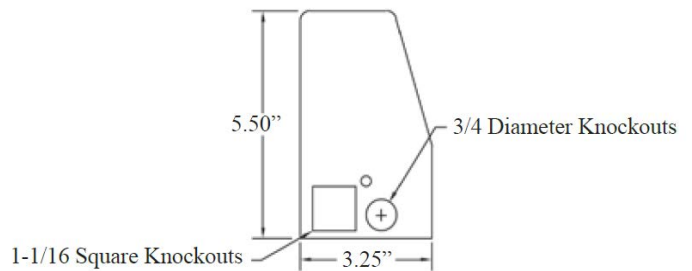

Angled LED chrome fixtures provide softly angled light. Designed for bathrooms, kitchens, bulletin boards and above vanity mirrors.

Housing and ends are die-formed from cold rolled steel. Finish is post chrome plated on housing and end caps. One piece end caps fasten with singleacorn type nut. Extruded white translucent acrylic diffuser provides soft illumination. Diffuser is retained by a grooved formation running the length of the fixture and is held in place by the end caps. Mounting holes are provided. Mounts over electrical junction box. Knockouts are provided for flexible conduit attachment. Optional decorative contour bands are available when units are row mounted.

- Post chrome plated steel housing is standard
- Smooth white opal acrylic wraparound diffuser
- Single or continuous row mounting with optional contour band
- Highest quality long life LED
- Min CRI 82
- Double the life expectancy of fluorescent technology
- Optional white enamel finish available
- Every fixture individually tested
- ETL Listed for damp locations
