APPLICATIONS

Inspired by organic shapes of sculpture and natural elements is the Mobile Series. The modern, sculptural aesthetics of each pendant adds eye-catching design throughout a space. PET sound-absorbing material creates a highly functional piece, intricately designed in three geometric shapes (Triangle, Circle, and Rectangle) to provide an unsuspecting solution to noise reduction. The Mobile Pendant is available in 5 acoustic colors with a choice of two modern finishes, brushed nickel or black. The versatile shapes and singularity of this fixture allow for pieces to be displayed both independently in small areas or in unique "mobile-like" arrangements for a contemporary lighting design.

FEATURES & BENEFITS

- 30+ acoustic material colors available
- 10' max length pendant mount hanging kit accommodates most ceiling types
- CRI >90
- >50,000 hrs of L70 LED life
- Rated for dry and damp locations
- 0-10 Volt dimmable 120-277V
- Power factor >0.90
- 5 year warranty
