

TYPE: CAT#: **JOB NAME:**

APPLICATIONS

Designed especially for LED, this new LED series provides beautiful glare free lighting from LED arrays. Downlight is shielded with a sleek, rounded frosted ribbed lens. Optional up-light utilizes its own LED array that can be separately switched and is lensed for applications that can be seen from above. Configure for individual lengths in four and eight foot or joined together easily for continuous runs. Pendant mount with adjustable cable kit and available in a variety of off the shelf finishes or custom finishes.

MOUNTING

Standard 4' adjustable power feed & cable (2 for 4' unit or 8' unit, included).

CONSTRUCTION

Rugged steel housing with anti-rust protection powder coated white. Custom paint finishes available.

TYPICAL OPTIONS AND ACCESSORIES

Emergency driver, occupancy sensors, hanging kits, factory installed dimming, standard and custom colors. Contact factory for additional options.

LISTING

Fixtures conform to Underwriters' Laboratories standards for production and are carefully tested prior to packing.
